(**\$45.60, \$43.60, \$13.80, \$38.20**).

SUPER VALUE WIN BETS:

Our **Trackpro Value Rating (TPV)** has identified the following horses running at **FAIR GROUNDS** today as Super Value Win Bets! We developed the TPV to pinpoint overlooked horses. Our professional reports show the horses ranked in order according to the highest Trackpro Value Rating (TPV) each horse has earned. Our exclusive Trackpro Value

Rating is assigned to every horse in each race using our proprietary handicapping system that we spent over ten (10) years developing. If you are looking to make a few select wagers, then take a close look at the horses marked **(SV)** in our daily reports. We encourage all our subscribers and visitors to review our picks and see for yourself that winning at the race track is just a matter of combining good handicapping with smart betting. At Trackpro.com we prepare reports that list multiple win selections on almost every card, with outstanding betting value most days.

R1 - #6 RICKY DALE - 7/2

This 3 year old gelding is making only his 2nd start this year. He is taking a big drop in class from \$12.5K State bred claimers down to \$5K probably because he ran so poorly last race. Our Trackpro Value Rating (TPV) pointed out this horse, but we are not going to invest too much in this gelding unless the odds are significantly higher by post time. However, we will use him in the daily double, along with a modest win bet.

R3 - #6 WINGS UP - 8-1

This 3 year old colt is in good training condition, and has finished in the money 3x in his last four starts. He showed good courage finishing 2nd in his last race on February 23rd, and the Trainer (18%) put a nice 4F tightener into him on March 2nd over this track. Gabriel Saez stays on this mount, which we like to see because he knows the horse now. We are hoping to get a big payoff with the move up in class, and stretch out in distance which might cause bettors to ignore this runner. We plan to make a good sized win / place bet on this horse. He has solid racing experience, and that really counts in maiden route races.

R6 - #10 CUBE - 4-1

The owners paid a pretty penny (\$170K) for this 4 year old colt in 2016 sired by MORE THAN READY. From WinStar Farm: "More Than Ready further cemented his status as a historic sire when Roy H became the second back-to-back Breeders' Cup Sprint (G1) winner in history, giving More Than Ready 6 Breeders' Cup victories — joining Unbridled's Song and Sadler's Wells with the most Breeders' Cup wins ever." So we know this colt has good breeding, but he really needs to win this afternoon making his 8th start as a maiden. He finished 2nd and 3rd in his last two races, so we will make a win bet at 3-1 or higher.
