Good morning Turf Club Member,

Thank you for signing up to receive our Newsletter. We have some FREE **Super Value Win Bets (SV)** for you today.

AQUEDUCT:

We have identified a horse today in the Gotham Stakes (Race #10) that is overlooked, and a Super Value Win Bet, so why not head over to Trackpro.com and purchase our full report for only **\$6.00**. Yesterday, our Turf Club selections cooled off as all three (3) of our horses ran out of the money. We are hoping to keep losses like yesterday to a minimum, but it is horse racing, and you get disappointed sometimes. However, we have had a good number of winners this week, so no complaints here. We plan to make some good scores today. Let's see what happens.

Yesterday was almost all chalk at Aqueduct with none of the winners paying in the double digits. (**\$3.60, \$4.40, \$5.40, \$5.70, \$8.60, \$4.80, \$5.60, \$9.90**) We listed 7 winners in the 8 races, with five (5) in our top two selections. There is not much you can do about chalk except to either pass the race, or make Daily Double, Pick 3, Pick 4 bets etc. The \$.50 cent Pick 4 at Aqueduct yesterday paid **\$104.12**, and the \$.50 cent Pick 5 paid a whopping **\$595.25!!** The Pick 5 was listed in our full report starting in Race #4. Using a part wheel, the cost of the ticket was a modest \$36.00. (3 x 4 x 2 x 1 x 3). The \$.50 cent Pick 4 cost was only \$12.00. That is what we mean when we say our handicapping is consistent. We do list the winner in the majority of the races we handicap.

SUPER VALUE WIN BETS TODAY: GULFSTREAM PARK

R1 #1 CAPE DESIDERATO - 6-1

We like this gelding to win after he ran so hard last race going extremely wide, but still managed to get up for 2nd place. He went off at a huge 12-1 last race going a mile, and he cuts back to 7 and 1/2 furlongs this afternoon, again running on the turf. Lopez is in the saddle and he has brought home some nice priced winners lately. What we really like about this gelding are the high late pace figures he has been putting up, and we think Lopez will give him a well time ride to get him home and finally into the winners circle. We will make a solid win bet, and hope everything goes his way.

R3 #1 PAY ANY PRICE - 7/2

Interesting Race. A five furlong Stakes with a \$75K purse for four year olds and up. Our selection here is getting up in years at Age 9, but how many horses do you find that show 7 wins in their last 10 starts? Not many, but when you do, you cannot ignore them. Any owner would love to own a horse like this who has banked over \$860,000 in his career. He will be up against some real strong speed horses today, but we like the match up ,and think this gelding will win. We will make a good sized win bet at 3-1 or more.

R9 #7 GETMOTHERAROSE - 6-1

This young 3 year old filly might surprise at a price. She finished 9th last race but sometimes it pays handsomely to look deeper into the past performances. She only lost by a nose going todays distance (1 mile) as the favorite in her next to last race, and she has finished in the money 2x in 4 starts on the turf. Another thing we like in handicapping maiden races is experience, and this filly has it. Most of the other competitors are first time starters so maybe they will need a race. The morning line at 6-1 seems high, especially since she was well bet in her last two races. We will bet her to win and place hoping the odds move into the double digits by post time.
