Good morning Turf Club Member,

Thank you for signing up to receive our Newsletter. We have some FREE **Super Value Win Bets (SV)** for you today.

#### **PARX RACING:**

Another tough day of handicapping Parx. It was bombs away almost all day at this track! (**\$48.80, \$6.60, \$58.20, \$16.60, \$18.20, \$8.40, \$7.60, \$13.00, \$109.00, \$17.00**). We managed to list the **\$48.80** horse in Race #1 in our report (3rd), but we could not connect on the daily double which was more than disappointing to say to the least. To make matters worse, all three (3) of our Super Value Win Bets finished up the track. We did notice one big handicapping factor yesterday at this track. None of the top ten (10) jockeys had a winning horse, except for Wesley Torres (**\$13.00**) who is ranked 9th in the standings at Equibase. So even to the top jockeys were shut out.

We do want to thank those **Turf Club** members who made a donation yesterday. It does help us keep going. Your Free Super Value Win Bet for Gulfstream Park will be emailed to you this morning as a "Thank you". We do hope the horse wins.

#### **SANTA ANITA:**

Good news! From the DRF: "The main track at Santa Anita reopened to favorable reviews this week for light training, and officials announced that timed workouts on the main track would resume on Wednesday morning." You can read more [here](#). That is really good news for everyone.

Let's keep the faith and hope for a much better handicapping and wagering day today at the **Gulfstream Park!** Purchase our full card report for only **\$6.00** [here](#).

### **SUPER VALUE WIN BETS**

Each day we list one or more top selections with the highest Trackpro Value Rating (TPV) which become our "**Super Value Win Bets.**" for the day. These special selections are the reason many customers purchase our full horse racing report day in and day out. Remember, selective win betting is of paramount importance when trying to make a profit at the track. It can be done, but you need to pick your spots. That's what our Super Value horses are all about:

### **SUPER VALUE WIN BETS TODAY: FAIR GROUNDS**

#### **R2 #3 SHAKES CREEK - 7/2**

This four (4) year old colt was entered into an Allowance field last race returning to the races after a long layoff, and he finished 10th. After that performance, top trainer Brad Cox (18%) is dropping him way down to a \$15K claimer, and cutting him back in distance to 7.5 furlongs. None of this is good news for the connections, but horses need to win in order to stay in the game, so hopefully he can get the job done in this spot with so much class relief. His last three (3) purses were for \$42K each, and today's purse is \$16K so that gives you an idea of how far down this drop is. He shows a work out on March 8th so that is good, and he is only making the 4th start of his career, so we do expect him to win in this spot. We need the odds to stay over 3-1 before making a good sized bet to win.

#### **R5 #4 NETELA - 4-1**

This horse was bumped hard last race at the 5/8th pole so let's give him another chance today. He is stretching out to a one mile route, and dropping down two (2) class levels. This type of move can lead to nice priced winners sometimes, because the public sees a poor race at 6F like in his last race where he finished 4th, and thinks he will do worse going longer. They also don't trust the drop in class so bettors tend to layoff runners like this. We do note however that he does show a win at the distance four (4) races back, and he was the favorite that day. Let's open our wallets on this horse with a good win bet.

#### **R9 #1 WHOZTALKIN NOW - 7/2**

Trainer Kar Broberg (25%) is probably anxious to get his first win after claiming this 7 year old gelding on February 18th. He seems to have this horse prepped for a quick ROI. This horse has the 2nd highest Life Earnings in the race, good form, and top late pace figures.

This is another situation where we want to see the odds stay at a minimum of 5/2 before making a bet to win. We think he might go off the favorite, and if that is the case, we wait for another day.
